Intermediate/Newcomer Players

Are Invited to Attend A Full Schedule of Events & Interaction with ACBL Pros

Wirt's lesson will cover balancing bids, including the balancing double. If you're the third player to pass, the auction is over. Are you in balancing seat? Probably, our side has 20+ points. The weaker we are in this seat, the stronger our partner will be. What changes in our bidding in balancing seat? We've been told to borrow a "King" from our partner's hand. It's important that partner knows that we are bidding some of their points.
